The Devil Within (The Viral Superhero Series Book 5)

Synopsis

What happens when a superhero becomes the world's greatest villain? Ted Finley isn't himself. Enslaved in his own mind, he's forced to live the life of his deadliest enemy. Erica LaPlante has lost hope. The treaty that torched her purpose may destroy everything she loves as well. As Natalie fights her demons and Jennifer considers a new definition of family, Earth's greatest threat looms large. If Ted and his friends can't work together, the world will come apart at the seams. The Devil Within is the fifth book in The Viral Superhero Series, a saga of high-octane, super-powered adventure novels. If you like incredible abilities, bloodthirsty villains, and superhero support teams stepping into battle, then you'll love Bryan Cohen & Casey Lane's latest high school thrill-ride. * This book is an edited and revamped new edition of a novel that was previously published as Veil to the Chief. * Buy The Devil Within to continue the super-heroic journey today!

Customer Reviews

Kindle Unlimited, which is probably a good thing if you like this type of book and then realize it's going to be The Viral Superhero Series (5 Book collection total} by Bryan Cohen and Casey Lane that will include 1 The Dark Souls 2 The Telepath 3 The Candidate 4 Enemy Territory 5 The Devil Within. What happens when a superhero becomes the world's greatest villain? Ted Finley isn't himself. Enslaved in his own mind, he's forced to live the life of his deadliest enemy Erica LaPlante has lost hope. The treaty that torched her purpose may destroy everything she loves as well. As Natalie fights her demons and Jennifer considers a new definition of family, Earth's greatest threat looms large. If Ted and his friends can't work together, the world will come apart at the seams. * This book is an edited and revamped new edition of a novel that was previously published as Veil to the Chief. *1 The Dark Souls 2 The Telepath 3 The Candidate 4 Enemy Territory 5 The Devil Within **THERE ARE NOW 7 BOOKS NOT 5 in series, ADD The Rebellion (The Viral Superhero Series Book 6) and The Final Battle (The Viral Superhero Series Book 7)

Once again Bryan Cohen has managed to go even further into the Ted series, keeping everything that drew me in with the first story. So many series get weaker or more predictable by book 5. Not with this series. Throughout this book, I was kept on my toes, the surprises and intrigue and twists in plots just kept coming. I loved it! We have new characters, while continuing so many storylines of previous and original characters. Mr. Cohen keeps taking us places that are so unexpected and so wonderfully original, that the Ted series continues to be fresh and greatly enjoyed. I appreciate that excitement and fast-paced action. As soon as I finished this book, I began eagerly anticipating the next book! I'm not sure how, but I keep hoping this series just keeps coming. I'm depending on you Mr. Cohen to keep Ted fighting for us.

This is the fifth installment in the Viral Superhero series. Ted and Natalie are back on earth after having escaped the Realm of Souls with the help of their friends. Those friends know that Ted and Natalie haven't been the same since their return. They chalk up the changes in Natalie as being a result of the torture she endured. They know Ted is not himself, but none of them know how different he really is. Meanwhile, President Blake has become quite power hungry and has gotten many of his staff to join him in his quest for power. This corruption just means more danger for the world...and for the little town of Treasure. Of course, the dark souls are heavily involved in all that transpires. I can't wait for the next book to see what happens next.

Bryan Cohen has done it again. The fifth in his The Viral Superhero books is chock full of the same sense of adventure as the prior books. The characters continue to develop and the storyline moves along quickly (a bit too quickly actually - I didn't want it to end). Highly rated for anyone who has read the series to date. You won't be disappointed. As for any who have not read this series yet, you're in for a treat - but better off starting with the first book (The Dark Souls). It's not a cliffhanger so you won't get stuck feeling cheated if you don't like it (but, trust me, you will want to read more of the books; they're pretty addictive).

This fifth book in the series is a lot darker than the other four, but still just as good. It was a great continuation of the series and made me wish the next book was out already so I could get right to reading it.

Well developed story, twists keep you guessing while letting you keep. Easy to believe if you consider alternative reality s are possible
