## **Customer Reviews**

Price Stern Sloan publishes fun and engaging books in a variety of formats, including board books, doodle books, activity books, novelty titles, and of course, the classic Mad Libs.

MadLibs were a great hit during a rainy afternoon at my son's sleep away camp. The campers were not allowed outside due to thunderstorms, so they all contributed to the stories in a way that only 11 year old boys can. My son's counselor told me they all had a great time and that this was a great ice-breaker for the kids in his cabin. These will definitely go back with him next year!

Perfect for sending to summer camp with a bunch of teens!

Got this for a gift for a friend who loves word games. She loves it!!!! Same ole mad libs as always!

Fun for kids!
