Plagiarism: A How-Not-to Guide For Students

Synopsis

Barry Gilmore is participating in a FREE on-line roundtable webinar "Plagiarism in the Digital Age: Voices from the Front Lines -- What's Happening in High Schools Now." To learn more visit www.plagiarism.org. Plainly put, plagiarism isn't acceptable. But what's not so simple for students to understand is what exactly plagiarism is, how it happens, and how to avoid it. That's why Barry Gilmore's *Plagiarism: A How-Not-To Guide for Students* is a must-have for student writers. In *Plagiarism: A How-Not-To Guide for Students*, Barry Gilmore follows up on his teacher's guide *Plagiarism: Why It Happens How to Prevent It*. Gilmore doesn't sugarcoat plagiarism, but he offers writers reasoned and reasonable solutions. His savvy handbook: speaks directly to students in lively language about what plagiarism is and how it happens presents case studies drawn from real-world events as well as student examples never talks down and invites students to think and talk about plagiarism outlines the consequences of plagiarism without resorting to fear or intimidation. Gilmore provides all the dos and don'ts students need. With his book students will: get explicit guidelines for MLA and APA citation find out how to use search engines well and document their results appropriately learn to properly summarize and paraphrase third-party material understand what is common knowledge and what isn't. *Plagiarism: A How-Not-To Guide for Students* goes well beyond plagiarism avoidance. It builds students' ethical awareness about what cheating is. And it leads them to understand why using their own words is important and, ultimately, more satisfying. Give your students *Plagiarism: A How-Not-To Guide for Students* for every paper they will write-across the years, across the content areas. Or better yet, use it alongside Barry Gilmore's teacher's guide, *Plagiarism: Why It Happens How to Prevent It*. Because your greatest allies in preventing academic dishonesty are well-informed students. To request this title as a Desk/Exam copy, [click here](#). Customer Reviews

Barry Gilmore, Ed.D., taught English and social studies for over 15 years before becoming a middle school principal in Memphis, TN. Barry is a National Board Certified teacher and Past-President of the Tennessee Council of Teachers of English. As the author of seven books for teachers and numerous articles on topics ranging from the common core to plagiarism and classroom discussion methods, he regularly presents his teaching ideas to groups around the country. Gilmore has received numerous honors for his teaching, including the NCTE's Outstanding High School Educator Award, the U.S. Department of Education's American Star of Teaching Award, and the Tennessee Holocaust Commission's Educator of the Year. Barry Gilmore is a Heinemann Professional Development provider.

This books is almost exactly the same than the "teachers" edition. I bought both editions thinking that they would be complementary, but they are not. They have the same information, the same examples. The only thing that changes is that the author addresses students with appropriate use of deictics and some condescending comments to get on his readers' good side, but that's all.

She has only read the book yet it gives her the information she requires to complete her papers for school.
