Kitty Maynard has three grown children, a loving dog, and is coauthor of many cookbooks. She is a registered nurse and a manager in the healthcare industry. Lucian Maynard lives in North Carolina with his wife, Kitty. He has coauthored, with his wife, The American Country Inn and Bed & Breakfast Cookbook, Volumes I and II, The Oat Bran Cookbook, and, with Theodore Duncan, The All-New Diabetic Cookbook. He, too, is a registered nurse and manager in the healthcare industry.

My father bought this book and its companion when I was a kid. The recipes are AMAZING and very easy to follow and make. I always turn to these first for ideas for baking and cooking. I now have a piece of my childhood in adulthood. Great price, fast shipping. I'm so happy with this purchase.

Lots of good receipes, including one for elephant stew (serves 3800!!) Other ones were more usual, and good!

A lot of great recipes, some repetition however.

Just what I wanted.

Not sure what happened but wrong book, maybe wrong volume. The recipe I expected was nowhere to be found.

Some amazing recipes in this book. Kinda make you want to go and find the Inns and stay at them

Great recipes

Thank you! My new book is perfect.
