The Scarlet Letter (Adaptation): Oxford Bookworms Library

Synopsis

Scarlet is the colour of sin, and the letter 'A' stands for 'Adultery'. In the 1600s, in Boston, Massachusetts, love was allowed only between a husband and a wife. A child born outside marriage was a child of sin. Hester Prynne must wear the scarlet letter on her dress for the rest of her life. How can she ever escape from this public shame? What will happen to her child, growing up in the shadow of the scarlet letter? The future holds no joy for Hester Prynne. And what will happen to her sinful lover - the father of her child? An Oxford Bookworms Library reader for learners of English, adapted from the Nathaniel Hawthorne original by John Escott.

Customer Reviews

This is a valuable tool for students who struggle with English as a second language. The vocabulary is still rich but written in a more modern and accessible format.
