Synopsis

Betrayed by her best friend and fiancÃƒÂ©, wealthy Eleanor Rhode flees to Glendive as a mail-order bride, only to find that life out west isnÃ¢â€”t like her romantic vision of it. Cecil Sunter needs a hardworking wife to help him recover his farm, but after he marrying the beautiful Eleanor, he finds that heÃ¢â€”s gotten less than he bargained for Ã¢â€”œ she has no idea how to even keep a house, let alone help with the farm work! Can these two overcome their differences to make a happy home? Behind the scenes, the search endures for Titus Ridge. Will he ever be found? The Elusive Groom series follows the incredible journey of Bride-to-be, Honora Carson, in her search for her missing groom. On arrival in Glendive, Montana, as a mail order bride, she is shocked to discover that Titus, her intended, has disappeared without explanation. HonoraÃ¢â€”s determined journey to find him takes her on a roller coaster ride of romance, where she finds herself embroiled in more than one love story along the way, before finally completing her own! Each book in the series is a wonderful standalone story, and also part of a bigger story that spans the whole series.

A great book to read and enjoy. A young lady was in love with a man her parents didn't trust but we're letting her find out. The man ran off with her best friend the week of her wedding, she was heartbroken until he came back two days before she was to leave to be a Mail Order Bride. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me wondering what next for the characters. The events will keep you reading.

I loved this book from beginning to end. I couldn't put it down until I finished it. I can't wait for the next one to come out

This one was about Cecile and Eleanor (Ellie). He was a hard working farmer and she was a rich girl who went west. So many things going on in the story to keep you on your toes. Nora is still waiting on Titus. A fabulous story to continue to read.

I like the story. But I think stories should be done at the end of the book instead putting it through a series of books. Unless I can read them one right after the other. Without being charged for the last book. So far I have read all the ones that are available. Where is the last book. I hope I can find it before I forget the story.

I enjoyed this story of adventure and romance. Ms Terri Grace has done another nice bit of story telling, the characters said it all.

Nothing is too hard that love can't find a way. Trust God and lean not to your own understanding but God

Another awesome story in the series. Can't wait to read the next one!!

Good story. Just ended too soon. Would love for it to continue on so we know what happens next. Really enjoy a good, clean love story.
