Triss: Redwall, Book 15

Synopsis

A thrilling story of Triss, a young squirrelmaid. She escapes a life of misery as a servant to the tyrannical ruling ferret family in Riftgard and sets off to find her way to the Abbey of Redwall. Parallel runs the tale of two young scamps, the hare Bescarum and the badger Sagaxus, who leave the Fortress of Salamandastron and set off on board ship in search of adventure. The third storyline is about the inhabitants of the Abbey and a threat to their safety. This leads to a frightening and ultimately very satisfying climax as the three threads of the story come together. --This text refers to an out of print or unavailable edition of this title.

Customer Reviews

This 15th out of over 22 Redwall stories is my absolute favorite! The characters are always flawed but easily loved. The adventure, is full of twists and turns. Ever the unexpected happens to Triss and company. Read at your own peril (you'll get hooked) and for your own enjoyment!

The Redwall series of books is well written and perfect for both young and young-at-heart readers. It's a fantasy set full of adventures of good versus evil, coming of age, finding bravery and friendship, reveling in poetry and song, and feasting as if at the end of a ten season famine! Brian Jacques crafted wonderful friends and heroes at Redwall Abbey, and you'll enjoy meeting them again and again!

Love finding these books in hardback! Thanks!

My son loves Redwall. Keeps him busy for a few hours.

Brian Jacques has to be one of my favorite authors for good reason. This is another Fabulous book in the redwall series it displays all of his usual charm and witty songs. I love the new Hare Character and all of the wonderful new additions to redwall abbey. I cant wait to read his next book. I was totally impresssed.

In all honesty, I have not read it to see if it measures up to earlier volumes, however I was thrilled to get it to add to my collection of hardbacks with intact jacket covers. Thank you!

This s a very good book. It is full of action and stuff. However, it is a very long book so I recommend a different book for people who don't like reading for a long time. But other than that it is awesome

As a lifelong Redwall fan, I was not surprised at all at how much I enjoyed this book. The daring heroes, the dastardly villains, all with the right amount of seriousness and humor combined to make a wonderful story that anyone can enjoy. Read it today!
