# Hidden Power Of Speaking In Tongues

## Synopsis

Almost 40 years ago John and Elizabeth Sherill introduced the world to the phenomenon of 'speaking in tongues' in their book, *They Speak with Other Tongues*. The book was an immediate success as thousands were touched by the power of this spiritual gift. *The Hidden Power of Speaking in Tongues* again explores this spiritual experience powerfully prevalent in the early church. This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day. In a day of spiritual poverty, Chavda challenges the Body of Christ to experience afresh the secret dynamic of 'speaking in tongues', as he removes the veil covering this glorious gift.

## Customer Reviews

I wanted to understand the gift of tongues and learn how to use the gift for Kingdom growth. This book helped me/challenged me to use my gift more often, daily in fact. My prayer time has

increased greatly and I find myself eagerly awaiting the moments that I can be alone with God and communicate in my heavenly tongue!

The reason I didn't give this book five stars is because of the dispensational eschatology wherein the author applies prophetic scripture referring to the judgment on Jerusalem in 70 A.D. to our present time. Nevertheless, the content regarding our relationship with God and the vital communication available to all believers through the gift of prayer language is powerfully accurate. This book is full of love and an engaging and important work on this subject.

Definitely a classic a must read for ALL Christians. Can not wait to hear the audio book!!!

Hidden Power of Speaking in Tongues I like this book, the book of Acts is more than a history book. In this day and age we need the power of the Holy Ghost given to us that was promised to us when Jesus Christ walked the earth with His disciples. Jesus cannot be with us in the flesh as 2000 years ago. He sent the comforter to help us in our walk. He didn't take us this far to leave us, didn't teach us to swim to let us drown, and the Holy Spirit with the initial evidence of speaking in other tongues is the answer for today's Christian.

Very informative!!!!

This book is truly a fresh inspiration to pray in tongues and even more so. Pastor Mahesh gives wonderful insights of how praying in tongues changes your life in the supernatural realm. Things I was not aware of before. It is anointed and will bless any reader!

This book goes in great detail about using your spiritual language. This book will bless you. I encourage every believer to invest in this book.

The author teaches from the scripture and personal experience. He uses his experience with this Gift and the teachings of the scripture to clear some of the objections and confusion surrounding tongues. I heard a Pastor once say: "A man with a personal experience based on scripture is NEVER at the mercy of a person with just a teaching"
