Saint-Jean-de-Luz Photo Book, French Basque (75 Photos) : Europe Series 8

Synopsis

Saint-Jean-de-Luz is an Atlantic coast holiday resort in the French Basque Country facing the Bay of Biscay. The shore of the beautiful sandy beach is full of sea bathing people in summer, and there is a promenade which is the place of recreation and relaxation for them. In the old town, there are unique half-timbered houses of the Basque Province and Saint-Jean-Baptist Church in the center of the town is known as the church which raised the wedding ceremony of Louis XIV and Spanish princess Mary Therese in 1660. In addition, there is a harbor which offers fresh seafood. Unfortunately the weather was bad when I took these photos, but I have chosen 75 photos which could make you feel the atmosphere of Saint-Jean-de-Luz. Camera: Nikon COOLPIX P340
