City Guide To Bath: An Elegant Georgian, Honey-stoned World Heritage Site

Synopsis

The city of Bath is an amazing place and so unique in the world. It is a UNESCO World Heritage Site as well as having the UK's only Roman hot spring spa resort. It's quaint, honey-coloured buildings are stunning! Bath is a beautiful city that has evolved, brimming with unique and distinctive character, and which is so attractive to the people who live here as well as its many visitors. This book is for those who want a quick and easy-to-use guide that doesn't bore with long-winded details and lots of text about irrelevant and boring stuff. You'll find no blah-blah here, only stuff that you really need to know to have a great time in, and around, Bath.
