Quran In English: Clear And Easy To Understand. Modern English Translation.

Synopsis

Perhaps the best Quran English translation. It is clear, easy to read, and very faithful to the Arabic original. It closely follows the Arabic text, and often reminds the reader of the Arabic original. It uses today's English language, and today's English vocabulary, thus it is easy to read and understand. The flow is smooth, the sentence structure is simple, the meaning is clear. This Quran translation has no interpretations, no footnotes, and no explanations. It is a pure translation of the Quran, from Arabic to English, and it does not try to emphasize any school of thought. The text purely and accurately translates the Holy Quran, from Arabic, into contemporary English. It was translated by a Muslim, who saw firsthand the miracles inside the Quran. His native language is Arabic; his everyday language is American English. For 15 years, he studied the Quran. For many years, he translated speech between his mother and his wife. For a living, he develops quality software. Available in two editions. This edition (B) uses the word 'God' to refer to the Creator. Edition A uses the word 'Allah' CHAPTER 81. The Rolling. at-Takwir. In the name of God, the Gracious, the Merciful. 1. When the sun is rolled up. 2. When the stars are dimmed. 3. When the mountains are set in motion. 4. When the relationships are suspended. 5. When the beasts are gathered. 6. When the oceans are set aflame. 7. When the souls are paired. 8. When the girl, buried alive, is asked: 9. For what crime was she killed? 10. When the records are made public. 11. When the sky is peeled away. 12. When the Fire is set ablaze. 13. When Paradise is brought near. 14. Each soul will know what it has readied. 15. I swear by the galaxies. 16. Precisely running their courses. 17. And by the night as it recedes. 18. And by the morn as it breathes. 19. This is the speech of a noble messenger. 20. Endowed with power, eminent with the Lord of the Throne. 21. Obeyed and honest. 22. Your friend is not possessed. 23. He saw him on the luminous horizon. 24. And He does not withhold knowledge of the Unseen. 25. And it is not the word of an accursed devil. 26. So where are you heading? 27. It is only a Reminder to all mankind. 28. To whoever of you wills to go straight. 29. But you cannot will, unless God wills-The Lord of the Worlds. The Quran is the last Book from the Creator. It contains guidance, mercy, and healing. The Quran is a blessing, within reach.

How do I know this is a true interpretation of the quran. I purchased this because I wanted to see how Muslims actually believe. Some of the info is not true when they write about Mary. So this makes me believe that the interpretation may not be of the actual Quran unless the Quran is very confused of bible beliefs..

I don't know how the Arabic reads, but his English translation is very awkward and even confusing at time (contradictory?). It makes it hard to understand and appreciate what the Prophet is

saying--or when he is speaking and when he's relating what God is saying. I can see why Moslems insist that Quran has to be read in Arabic to be properly understood.

Translated from Arabic, but it's still hard to understand for an English speaking Westerner. It doesn't seem to follow a logical pattern or tell a story, I'm not Muslim, but I downloaded this to try and understand what they're all about. It's free, so why not?

Excellent work Sir.very easy to understand .Today's world needs is modern English rather than classical English.I will recommend this book.

I hope one day I will find Holly Quran with a simple English translation. This translation is in old Englis. Sometimes it is hard for Kids to read and understand it. This Quran in Old style English. Hope Muslim diplomats will work on it and translate Quran in current spoken English to make it easier to understand for our next generations. Inshallah

Interesting for those who want to understand a different perspective on religion. It's great having this on my Kindle to pull up and review at any time I want. Please let me know if you found this review helpful.

Great! Very easy to read! I was in a multicultural class and this book helped me to learn about the Quran and what it says. With all that is going on in the world, I felt it was important that I learn more about this religion and its teachings so I could be more culturally sensitive

Excellent
