# The Spirit In The Stick

## Synopsis

Fourteen-year-old Robbie Jones receives a 200-year-old lacrosse stick, which has been passed down through several generations, from Hall-of-Famer Jimmy Lewis. He has no idea what he is about to learn from Lewis...or the stick. --This text refers to an out of print or unavailable edition of this title.

## Customer Reviews

"A powerful, very spiritual story. I would recommend it to any young player today." --Richie Meade, Head Lacrosse Coach, United States Naval Academy, APR 2004 "This story touched me on many levels. This is a terrific piece of work." --Dom Starsia, Head Lacrosse Coach, University of Virginia, APR 2004 "A must read for all players and coaches." --Fred Acee, Head Lacrosse Coach, United States Air Force Academy, JUNE 2004 --This text refers to an out of print or unavailable edition of this title.

Neil Duffy is a native of Massapequa Park, Long Island. He is a graduate of Alfred G. Berner High School, the United States Naval Academy, and Old Dominion University. He is a teacher, coach, and advisor at Norfolk Academy in Norfolk, VA. He resides in Virginia Beach with his wife, daughter, and son. Please share your thoughts and criticisms with the author at [www.thespiritinthestick.com](http://www.thespiritinthestick.com) --This text refers to an out of print or unavailable edition of this title.

We got this story for our grandson as he was preparing for the current lacrosse season. I read the book first and although the writing isn't at a high professional level it is better than I could have

done. The story line used was excellent in sharing not only the history of lacrosse but American history. I read the book straight through and enjoyed it immensely. The grandson read randomly through the book choosing chapters that sounded interesting but wasn't every really caught up in the story and has yet to finish the book BUT at one of the team huddles this season he told team mates what the author had to say about "honor the game" so what he read made an impression. I guess I would recommend this story as a starting history of the sport and they can progress from there in any direction for a deeper lacrosse experience. I liked the book

Bought for Lacrosse playing grand-daughter.

My husband heard about this book and I searched high and low for it....It is VERY hard to find, but finely I found it @ .com. It was purchased for our 15 year old son, who loves the sport, lacrosse. My husband started reading it and said it is very interesting. It is about the birth of the stick in lacrosse that was made by Indians. This book was highly recommended to my husband and now my husband highly recommends it. After my son reads it and my husband has finished reading it then I will too!

My 13 y/o LOVED this book. It's a quick read. Great story of Lacrosse, my son read it for a school book report :-) After reading it, my reluctant reader wanted to know if Neil Duffy wrote more. To me that says it all.

Great read for any lax player or fan!

I liked the history behind the game. The comparison of life to the game of lacrosse. Self reflection. Commitment. Practice. Compassion.

good book for kids interested in lacrosse.

This is a great book for anyone adult or child who loves lax. My son played for years and now is to old and mens is a little to ruff.
