DK Eyewitness Books: Music

Synopsis

Here is an original and exciting look at the fascinating world of sound and music. Superb, real-life photographs of instruments ranging from zithers and panpipes to electric guitars and synthesizers offer a unique "eyewitness" view of ancient and contemporary music.

Age Range: 8 - 12 years

Grade Level: 3 - 7

Customer Reviews

Quality, concise book with excellent illustrations and clear text.

The cover picture was different. We received the guitar one, not Tuba.

Love music and good.

My 7 year old niece is very interested in musical instruments and which ones she might be able to play once she starts playing in the school band in a few years. This book is a little over her head, but the big pictures helped me explain the size and shape of the instruments and how they are played. I should mention that I have a musical background and can play brass and woodwind instruments, so the explaining came from me, not from the book. The book provided the pictures.

DK books always have great photos,I got this book for my daughter, she enjoyed learning about the many familiar and strange instruments.

It is awesome.

Typical great DK book.

This line of books if you don't already know it is one of the best information learning lines available. This is an awesome book with a hands on feel and much information.
