Before We Kill And Eat You

Synopsis

In 1920, Henry B. (H.B.) Garlock and some months later his bride, Ruth, traveled to West Africa to bring the gospel to a place known as "the white man's grave." *Before We Kill and Eat You* tells the Garlocks' fascinating real-life story of faith and calling in the face of malaria, cannibals and witch doctors. Readers will be inspired and encouraged by tales, as if taken straight from the book of Acts, of blind men healed and of people raised from the dead. Though many of their colleagues before them succumbed to death, H.B. and Ruth persevered in the midst of unbelievable hardship to reap an incredible harvest of believers that continues to this day.

H.B. Garlock with Ruthanne Garlock

Any true believer will instantly recognize the awesome power of God working through two live long missionaries being led by the Holy Spirit.. "Before they kill and eat you" is a true life account as well as a life changing account. This missionary work takes place in Africa in the 1920's and is still having an effect today on believers and hopefully on those who may not know the Lord Jesus Christ but after reading this book, God the Holy Spirit can change an individual in a moment. All it takes is a child like faith, just believe.

This story is an amazing story of missionaries in Liberia in the early 1920's. It is a fascinating read

that I could hardly put down

Amazing account of the sacrifices and hardships these missionaries went through. I couldn't put the book down. Highly recommended reading.

Very good and encouraging

John and Ruthanne were friends of mine. I have read other books that Ruthanne wrote and was excited to see this one! Wow! It's the kind of book you don't want to put down! I loved all the miracles and seeing how God can use such humble people. A definite recommend reading!

Excellent

The title really captured my attention. I always enjoy a good missionary story. This one is set in Africa, and the title describes an incident. An interesting read, especially to me since my great uncle, Edgar Personeus, played a part in the Garlocks' story.

Good, good book about missionaries.
