## Customer Reviews

Fabulous book!! I gave this to my Dad for Christmas and he absolutely loved it!! We were able to get free chips and salsa at La Cava Del Tequila because we followed what the book said! Thanks Drunky and Rhiannon for such a wonderful gift!!!

Really enjoying this book. It's great if you are an adult and love the unique bars at Walt Disney world. The back and forth between the writer and editor is funny.

Great Guide for when you need a drink or 7. I think it could have used a little more sexual content. Certainly not something i would recommend for anyone under the age of fourteen.

This is THE reference you need to guide your way around the bars of Disney World. Extremely informative and written with a lot of humor. You can tell the authors were passionate about the subject!

This is the Disney guidebook you are looking for!

Fantastically entertaining and must have for anyone who may crave a cocktail while visiting Walt Disney World.

This was such an enjoyable read...The authors are hilarious and jaw dropping at times! We are DVC people so we are in WDW once to twice per year. I have much catching up to do. One of my new favorite Disney books. More please!

This guide has been a fun read, and I cannot wait to use it on my next trip to WDW. Well worth the time and money. And now I have an obsession with Tervis Tumblers as well.
