Arizona Good Roads Association Illustrated Road Maps And Tour Book

Synopsis

This is a reprint of the first book of road maps and touring information ever published in Arizona. To obtain and "absolutely authentic" data for the maps, the compilers had to travel over 10,000 miles by automobile in and around 1913. The book is profusely illustrated with historical photographs and maps drawings with points of interest as well as descriptive information and vintage advertisements.

great to read about the past in our state

Interesting book, you can tell by the way the book is written that it was from a different time. But more important is the history the book depicts and pictures of the time.

Great book on the historical paths of Arizona
