The Ties That Bind (Adventures In Odyssey)

Synopsis

Comic-Connellsville! The “Let’s Get Together” Festival! Who knew that two events could trigger so much drama in Odyssey? Wooton’s announcement about a family of detectives leads to suspicion and intrigue. Whit’s challenge of some popular ideas causes a difficult tug-of-war between conviction and compromise. And the surprise arrival of a few friends and former adversaries creates the perfect blend of excitement, comedy, and important life lessons for everyone. The Ties That Bind contains 12 all-new episodes exploring questions about God’s design for marriage and family, loyalty, redemption, commitment, and love. It’s a collection for your whole family to enjoy and talk about.

Book Information

Series: Adventures in Odyssey (Book 58)

Audio CD

Publisher: Tyndale Entertainment (October 1, 2014)

Age Range: 6 - 12 years

Grade Level: 1 - 7

Customer Reviews

My daughter heard this story live on the radio and liked it so much that she wanted to keep re-listening to the stories. There are 14 episodes in this album, so it’s a hefty album. The character development in this particular album is deep and leaves room for lots of discussion in the family. This album included an eleven-page discussion booklet. After each episode, there are discussion questions that family members can ask each other in order to go deeper and work through the hard issues about family and what really makes a family. There are also bonus scenes and deleted scenes that were included. The main characters in this album

include Wooten, Penny, Connie, Eugene, Katrina, Buck, Mr. Whit, Ms. Adelaide, the Parker family, Jay, the Perilous Pen, and Jules (Connie's sister). I appreciate that FOTF presents both sides of people's opinions, but in the end, Whit bases his stand on things in respect to the Bible. That is what we want in our family: healthy discussions about ethical issues and problems that people deal with in real life. Our only complaint with the CD is when we ripped it on our computer, the information on the CDs were often wrong. Instead of Album 58, disc 5 came out with the information that it was Album 28. I had to go back and hand change those so that my daughter could find the album on the computer.

I love adventures in Odyssey! I listen to these things all growing up and now I'm buying them for my kids. The funny thing is I look forward to listening to them as much as the kids do. I'm glad to have kids and also have an excuse to listen. LOL!

My 14-year-old daughter said that this was one of the best AIO CDs she has heard, and she pretty much has them all. She said the suspense was great. Her only input is that you absolutely have to listen to the "Green Ring Conspiracy" first in order to fully enjoy "The Ties That Bind." For Christmas, all my daughter wants is for us to take her to Colorado Springs to see Whit's End at Focus on the Family.

We are working our way through this. I do not think it is as good as the Truth Chronicles but still amazing.

Bought for our son. Listened to it as a family. One of my favorite albums, and we have bought AIO albums every Christmas for nearly 20 years. Speaks to the Biblical reason for family. Bible based and family friendly.

Very enjoyable! I highly recommend it, especially those who have followed Adventures in Odyssey over the years.

Growing up on AIO was awesome! I am so glad they're still making them. Focus on the Family still amazes me. They have great quality episodes without compromising good family morals. This volume is no exception. Definitely worth the price.

Great stories for kids to begin thinking about the family structure as God'd design, and how things work best when they are used in the way the designer intended.
