# Undocumented Immigrants (American Mosaic: Immigration Today)

## Synopsis

Not all immigrants in America are here legally. Many of these undocumented immigrants come here along a dangerous path, crossing deserts or oceans. Arm yourself with information to join the national conversation on undocumented immigrants. Learn about the reasons that people come to America, and the different ways that they can become American citizens.

Grade Level: 3 - 6

## Customer Reviews

Gr 4-6-This solid series celebrates the diversity of the United States and explores the contributions immigrants have made to the culture and economy. Giving practical reasons for why the study of immigrant issues are important, the authors strive to put a human face on the subject of immigration and help readers think more deeply about the topics. Using clear, simple language, the series condenses complicated issues into easily understandable parts and provides information on relevant subjects, including how to become a U.S. citizen and the rights of undocumented immigrants. The texts are informative, though never intimidating, and full-color, captioned photos enhance the narratives. A valuable series. (c) Copyright 2014.
