Next to the Bible, this is the most encouraging devotional I have ever had. I often give it as a gift to those who are hurting and it brings such comfort for it sounds just like God speaking to you.

I buy a new one every year. It gives me space to write something everyday almost like a journal. There are verses and passages from the bible. Uplifting and meaningful.

This is my 3rd year of using this planner and I love it! Would have given it 5 stars but I miss the tabs on the previous 2 editions; they make it easier to get to a specific month.

wish I could find one for 2017 someone said they quit making them.

the best planner I could ever have.....
