Essential Elements Ukulele Method – Book 2 (The Ukulele Ensemble Series)

Synopsis

(Essential Elements Ukulele). Essential Elements Ukulele Book 2 is a great next step for players who are ready to expand their knowledge of music and further develop their skills on the ukulele. This comprehensive method book uses familiar and popular songs to introduce more advanced strumming options and fingerpicking techniques. A combination of traditional notation and tablature are used to illustrate new ideas. As in Book 1, the ukulele is used to explore concepts that apply to any instrument and can provide a basis for future musical experiences. The accompanying online audio provides demonstrations of songs and play-along accompaniments, making this method a nice framework for individual practice or group instruction. This book also includes many well-known songs, including: "Amazing Grace," "Rock Around the Clock," "This Little Light of Mine," the Beatles' "Eight Days a Week" and "Yellow Submarine," Bruno Mars' "Count on Me," Jack Johnson's "Upside Down," and "Somewhere Over the Rainbow" as made popular by Israel Kamkawiwo'ole.

Book Information

Series: The Ukulele Ensemble Series

Paperback: 48 pages

Publisher: Hal Leonard; Pap/Psc edition (November 27, 2015)

Language: English

ISBN-10: 1480395986

Customer Reviews

I ordered the digital version but, sound dosent play on any of my devices other wise I would give it five stars.

Very easy to follow and learn from.

These books are beautifully organized. I love the step by step approach with each new song. The strumming patterns and other technical tips really help develop style and broaden your repertoire. I've been playing and studying the uke for about 2 years--taking classes at the local Osher center along with jam sessions. This book series is by far the best instructional series I've ever used. There's a lot to be said about simplicity and basics. I enjoy every time I sit down and approach a new song or turn the page.
