Munich Travel Guide: The Top 10 Highlights In Munich (Globetrotter Guide Books)

Synopsis

Munich: A Marvelous Vacation Awaits! Are you thinking of your next vacation, but you're not sure where to go? Would you prefer some quiet time of meditation in a dazzling church, or would you like a more activity filled trip, with scenic drives and opportunities to explore the great outdoors. Or, maybe, you want to discover a new culture and experience a brand new city. Well then look no further. Munich is the place to visit whether you're interested in just one or every one of these options. This city in Germany offers its visitors some of the most spectacular palaces in the world, beautiful churches and amazing scenic drives just waiting to be explored. There is just so much to see and do in Munich that it's difficult to have enough time to see everything you want at your leisure. While this compact book only introduces ten of the things to see and do, a full list could run into the hundreds, if not thousands. Here we present a selection of things from amongst all those you can do, which cannot be missed during your visit to Munich. Inside the Munich Travel Guide: Schloss Neuschwanstein, Schloss Nymphenburg, The Romantic Road, Schloss Linderhof, Schloss Herrenchiemsee, Residenz Munchen, Theatinerkirche, Asamkirche, Hofbräuhaus, Marienplatz. Follow in the footsteps of locals and seek refuge in one of Munich's famous beer halls. The assortment of tasty beers will be more than enough to keep you entertained and happy during your stay. Munich also has several squares with great architecture and old-world charm. Starting with the Marienplatz, tourists who want to experience the Munich lifestyle should simply take a stroll through the historic streets. One of the many things Munich is famous for is its beers. But, did you know you can take a tour of one of the many breweries and see firsthand how those famous beers are made? Well, in this easy to read travel guide you'll find out which are the most popular breweries, but also the most interesting palaces and churches and what other amazing things you can do while vacationing in Munich. Do it now! Get the Munich Travel Guide right now and start planning your unforgettable vacation!

Customer Reviews

We've been planning a trip to Europe and when I saw this travel book on Munich, I thought I ought to get it and see if this fairly small city in Bavaria should be included on our agenda. From this travel guide, I believe it is worth a visit. Since I'm a walker and this is a walking town, I see a good match. There are plenty of hiking trails close by and the town is a walking town in the heart of Bavaria and one of the 10 Highlights to Munich in the subtitle is the world famous Hofbrauhaus, Germany's most famous brewery and beer hall in Europe in the heart of Old Town, where the term Oktoberfest originated. You can take a tour of the brewery and get a unique behind the scenes look of beer making. The other nine places to visit include museums, castles, a glockenspiel, a Christmas market with traditional wood carved toys and the last steam train still running in the world.

This was a real fun book to read. It goes through the top sites at Munich. If you are trying to find fun things to do with the family this book is loaded with everything you need. The sites explored have great historical value and are easy to get to with public transportation. I personally like to take guided tours and that can add even more fun to these visits. With the whole book dedicated to Munich, you won't find any useless information in this book. Instead, you will find everything to make the most out of your trip to Munich!

I like traveling very much. New countries, new people, new experiences which is great. In the spring, we are going to go to Germany. In Munich, we are planning to stay for 5 days. The book

presents you with the most interesting attractions in Munich with a detailed description. Nice book for tourist like me!

I like to travel but often there is a lot of things you want to do and when you are back from the trip you realise that you missed both x and y... That is why i got this book before my trip to Munich and I feel that I am more prepared than I use to be. Great book with nice info!
