Great item. Very happy with purchase.

I didn't realize this was the digital book when I bought it and I want to get the hardback copy is there anyway that I could do that

Enjoying these on my Kindall.

I did not receive this order .

Weight loss surgery is a popular solution for those who have trouble losing weight. This book helps those who has undergone weight loss surgery adjust to their new lifestyle and diet. The book gives advice on what foods to avoid and what you need to eat and drink more of after your surgery. An excellent guide for gradually reintroducing food to a newly configured stomach following weight loss surgery. This is a great book to have as your diet guide after the surgery.

after a long time of not reading in kindle, here I am finally lent a fruitful and healthy book made especially for gastric. The recipes were easy to follow and easy to prepare. Worth the grabbed.

This awesome book consists of various healthy and tasty recipes. Every recipe includes its nutritional facts which are really useful. They are all easy to prepare. I tried a few of them and some of my favorites are Skinny Szechuan Shrimp , Mediterranean Scallops and Pesto Chicken Soup.

So many delicious recipes. Real food recipes made bariatric friendly. Easy foods for limited amount of time. Great book. Awesome
