# **Under The Lighthouse: Memories Of Barnegat City**

## Synopsis

This pictorial history of Barnegat Light, N.J. is based on the memories of residents who experienced the early days and changes in this small fishing village on the northern tip of Long Beach Island. Photographs and stories document the fishing industry and the Scandinavian fishing families, historic buildings, and of course its most famous landmark, Barnegat Lighthouse. This book combines images of a past almost forgotten with memories of the residents who will never forget the quaint town that was once called Barnegat City.

From the area and love the history of the area and pictures of a time before my time. Love books and pictures of Old Barney.
