Nice job of giving the best of the best places to see in Ubud. He even gave the best time to go. More of an article than a book but well written.

Great read and we have been to Ubud many times but still learned something new

I am looking forward to having this guide with me when I visit Ubud at the end of the year. Great guide for exploration.

Anyone going to Ubud for the first time would benefit from this book. Hope to read more info from

them

Good idea to have a short itinerary but not if it's inaccurate. The museum is no longer free, although the admission fee of 8 dollars includes a drink (juice or coffee) and small snack at the museum coffee shop. And the Palace, while still free, is now mostly closed off to tourists even when there are no ceremonies - you can only enter the courtyard, no more wandering around.

Going on honeymoon next year, multi centre and this tells me what I want to know, can't wait !! I think the missus to be will be smiling !!!!

Very concise and helpful guide.
