My family has been using this haggadah for a few years and compared to others, I find it easy to follow and easy to amend to one's needs for any length seder. I will likely stick with this one indefinitely.

I've tried others but this is always the favorite!

Very happy with the product. Received it promptly.

became messianic christian which is i observe the jewish holidays expecially passove this book is great for someone like me

We have celebrated dozens of Passover Seders with this simple, elegant book as a guide. While it's language may not be as poetic as some, it tells the story in a way that speaks to everyone from my 93 year old Grandmother to the youngest who stammers over the Four Questions, to the guest

experiencing his or her first Seder. We have other hagadot, but this is the one we have adopted as our family's tradition.
