Synopsis

The Pimsleur® Method: the easiest, fastest way to learn a new language. Completely portable, easily downloadable, and lots of fun. You'll be speaking and understanding in no time flat! This course includes Lessons 1-8 from the Russian Level 1 program - 4 hours of audio-only effective language learning with real-life spoken practice sessions. Each lesson provides 30 minutes of spoken language practice, with an introductory conversation, and new vocabulary and structures. Detailed instructions enable you to understand and participate in the conversation. Practice for vocabulary introduced in previous lessons is included in each lesson. The emphasis is on pronunciation and comprehension, and on learning to speak Russian. The Russian Language Russian, one of the six official languages of the United Nations, is the official language in Russia, Belarus, Kazakhstan and Krygystan, with an estimated 150 million native speakers around the world. Pimsleur's Russian uses speakers from Moscow and St. Petersburg, which accounts for slight pronunciation differences between speakers, but accurately depicts contemporary spoken Russian. Tech Talk - CDs are formatted for playing in all CD players, including car players, and users can copy files for use in iTunes or Windows Media Player.

Customer Reviews

Dr. Paul Pimsleur devoted his life to language teaching and testing and was one of the world's leading experts in applied linguistics. After years of experience and research, Dr. Pimsleur developed The Pimsleur Method based on two key principles: the Principle of

Anticipation and a scientific principle of memory training that he called "Graduated Interval Recall." This Method has been applied to the many levels and languages of the Pimsleur Programs.

Pimsleur language CDs are always carefully designed to get you up and running with the least difficulty. Quick & Simple Russian is no exception. The Russian speakers are very good. The tried and true method of presenting words and phrases you need to navigate as a tourist make learning the basics nearly painless.

Great introduction to a difficult language, although I wish they hadn't focused so much on ordering beer and wine on the last 2 cd's, since I don't drink either.

Not the system for me. It goes too quickly in each lesson.

Exactly as advertised and I am learning Russian.
