Customer Reviews

I'm very particular about the ingredients that are in the products I put on my body. I'm making my shopping list for the recipes I want to try, especially the body butters - love those. I have very dry skin and shea butter is one of the only things that helps. I'll be trying the Jasmine Green Tea Body Butter first. Love the beneficial and nutritional info at the beginning. Great selection of recipes.

Just downloaded the book and had a. Chance to read through it.The recipes looked easy and everyday ingredients.Can't wait to make something!

Basic information you can find for free on the Internet. Save your money.

I just purchased and read this book yesterday...so glad I bought it. I will definitely try some of the recipes

Another book to add to your collection for making your own bath & body products. Great recipes easy to make.
