Customer Reviews

This is a sweet little story about a daddy tucking his daughter into bed at night and sharing a story with her. It teaches children that Jesus loves each one of us as individuals. The only downside of this book is the cute pictures are on one page and the one or two lines of text follow it. In this case, it may be to add length to the short story, but with little children you have to keep flipping back and forth to read the text that applies to the picture on the previous page. Some authors have figured out how to fill the page with a picture AND the text. But the cute story - and especially the message - make up for the formatting. You won't find the song "Jesus Loves Me, This I Know" quoted in the book, but you will find a sweet, simple story of the love of Jesus for each child. Great message! You'll also find it in this new children's book that teaches the reason for the Christmas season: *Carolee Sings in the Christmas Choir: A Christmas Story for Children of All Ages* (Carolee: Adventures of an Angel)

Cute, cute, cute little book! But would have been off the charts good IF: it had included the two most recognizable "Jesus Loves Me's" out there! The song and the verse, John 3:16 KJV!

I asked my 7 and 6 year old grand daughters if they like the book. They both answered that it was great. I asked why and they simply said that "Jesus Loves Us!" I guess the author got the story line down pretty good. I asked what in the book made them feel the way they did about Jesus and they started telling me what was in the book, this was a week after they had read it. I think that tells it all!

If your child knows the song, Jesus Loves Me, then this will bring an extra smile to their face. The main story is based on the parable about the shepherd who goes looking for the one lost sheep. Katie's Daddy is telling her the story as he puts her to bed. The illustrations are simple yet charming & the storyline is well written. I was able to purchase this book when it was offered for free (thanks so much :)) BUT it is well worth the 99c that is the purchase price at time of writing this review. Happy reading :)

Whether you can recall the biblical stories of the bible or not, the story of Jesus, the shepherd is a very special story of Jesus's love. It speaks of how Jesus left 99 sheep in search for the one that was lost. It was a lovely story when it was discussed in the bible but just as lovely in this colorful

book that is great to read to children anytime, especially when you want to reflect on the love that Jesus has for us. However, it is a great bedtime story and leaves you feeling all warm inside to just to know the lengths that Jesus would go for us, his sheep. It's not a very lengthy book, but just as effective and worth the read.

"Jesus Loves Me This I Know" focuses on a little story of a shepherd and his sheep. Upon noticing that one of his 100 sheep are missing, the shepherd immediately goes out to look for his sheep, eventually bringing it back home safe and sound. In this, Jesus acts as the shepherd, and the sheep are all the people of the world. This is a great little story to introduce children into Christianity and religion, allowing them to know of Jesus' love for every single person. In His eyes, no one is ever overlooked, and this children's book brings that into perspective for all the learning kids as they absorb new information.

Good little book if you are looking for Christian alternatives for your little ones. Great message, cute art, and a good value combine to make this a great purchase for your collection.

Parable very well explained for children. It was applied to every day life very well.
