Stan and Jan Berenstain introduced the first Berenstain Bears books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too. Though Stan died in 2005 and Jan in 2012, Mike continues to create the delightful Bear adventures from his studio in Pennsylvania, in an area that looks much like the sunny dirt road deep in Bear Country.

My LO and I read this every night as part of bedtime routine. It's so wonderful that I know the last thing heard is God's truths, an example of how to act/what to do with everyday occurrences of life

as well as practical reasons and thoughts to correlate the two. Great job Mike Berenstain! This is a must buy!

This is very cute and easy for my kids to comprehend. It introduces young kids to Biblical truths and helps direct their moral compass. The images are adorable and there's a lot to keep kids interested.

My 5 year old and I are truly enjoying this- it's a wonderful first devotional. She wants to end her story time at both nap and bedtime with it.

Beautiful messages. Simple enough for our 3 year old to understand and follow. Love it! A great addition to the Berenstain Bears collection!

Who would not love the Berenstain Bears! They are a sweet family who messes up and love each other through it with wisdom from God. I love that my children can read these without me needing to review them and vet them constantly. This is no exception. Sweet age appropriate devotionals that are short and easy to do daily for a child. Adorable!

The prayers themselves are short but the devotions are wonderful. My kids love listening to this book, talking about the lessons and praying before bedtime.
