Customer Reviews

This calendar is well-made and perfect for me. I love the beautiful colors, the quality of the workmanship and materials, and it is so pretty, I love writing in it. As an added bonus, the colors make it easy to find in my purse. Just one caveat: This is a MONTHLY calendar and, as such, the spaces are small. That is fine for what I need. I carry this one in my purse with brief reminders of appointments. For extensive entries, I use a larger Monthly Planner at home (Wells Street by Lang Bohemian 17 Month Calendar) which I also love. Then I transfer the critical appointments to my smaller calendar. My system works for me; if you have many items per day, you will probably want to get a WEEKLY calendar instead.

Originally bought this for my elderly mother, however, I decided to keep it and give her another one. Didn't catch this in the pictures, but the calendar weeks start on Monday not Sunday, something to pay attention to if you're not used to it. Also, while there are a few pages in the back for "notes," but the "tip calculator," "year overview" and "important dates pages" mentioned in the product

description don't seem to be included.

These People were amazing They wrote a note saying that they didnt have this one so they gave me a bird one AND a flower 1/2 of a normal calendar size flower calendar.

writing is to small

Blocks are too small.

I'm old fashioned and like using a real calendar. Fits perfect in my purse.

i like it and it's useful, but i like the week to start with sunday, not monday
