Dr. Denton's Asylum For Little Girls (ABDL Erotica) (Little Sissy's Journey Book 1)

Synopsis

Dr. Denton's Asylum For Little Girls (ABDL Erotica) Founded and patronized by the illustrious Duke of Wainwright, Dr. Denton's Asylum for Little Girls has been both a sanctuary and a rehabilitation center for women deemed too independent and disobedient for good society. But the Duke has very exacting standards in what he considers true rehabilitation. Dependence, Submission, and Pleasure. These are the three pillars of Dr. Denton's Asylum for Little Girls. Nineteen year old Marissa Brignall has no idea that her aunt and uncle are about to leave her at the doorsteps of Dr. Denton's Asylum. After her refusal to wed a man twice her age, they are done with her insolence and disobedience. Together they travel to the asylum to rid themselves of their burdensome niece. Having only wanted to go to college and seek a life away from her cruel aunt and uncle, Marissa now finds herself in the unusual asylum of Dr. Denton's. Immediately taken into custody, she is stripped of her former life and immediately plunged into her new reality as a patient of a doctor and a Duke who both expect to regress her into an age of obedience, dependence, and submission. Only then can she receive pleasure. Can Marissa survive the Asylum? Or will she find a way to escape?

It was pretty good. The buildup/payoff was a little slow, but overall good enough that I'm willing to give the next one a read to see where it's going.

ABDL = Adult Baby Diaper Lover When I purchased this short story I had no idea that it was an adult baby diaper story. This was the first ABDL short story that I have read and it will probably be my last. I didn't find it erotic. My rating isn't because the story wasn't to my erotic tastes (I will read just about anything - once). My rating was for the slow paced writing and the grammatical errors. There were some typos / words that were completely misused. It looks as if perhaps spell check was used to edit this instead of a good old fashioned proofread.

I found the story very titillating and fun to read. I specifically liked how the author in a way tricks the reader and slowly eased them into this neither world of baby play. I am definitely purchasing the next short in the series.

I am anxious to get into the next book in this series. Wonderful age play with just the right amount of spanking and embarrassment. Nineteen year old Sissy finds herself institutionalized in a special asylum, instead of the college that she desired. Very well written, a few typos.

not good
