Ken Abraham is a fourteen-time [New York Times](#) best-selling author known around the world for his collaborations with high-profile public figures. A former professional musician and pastor, he is a popular guest with both secular and religious media. His books include *One Soldier's Story* with Bob Dole, *Payne Stewart* with Tracey Stewart, *Falling in Love for All the Right Reasons* with Dr. Neil Clark Warren, and *Let's Roll!* with Lisa Beamer.

I was looking for a children's Bible that didn't just give the "usual" Bible stories. I LOVE this Bible for several reasons:1. The Jesus Loves Me Bible moves through the entire Bible and hits on many stories and chapters skipped by most kid's Bibles. The Table of Contents gives you the scripture references for each story. There are 120 stories total.2. It is very readable for elementary school age children - my first graders do a great job. There is a key verse for each story that we use as a memory verse.3. We are using this Bible for our children's class ages 5-8 at church for one year of curriculum. The teachers are teaching one story a week - we want our kids to know the Bible! We

actually have had our parents all order a Bible from (many used copies) so they can review the Bible stories at home with their children during the week. They love it too! We bought 2 used copies.4. Love the illustrations!Highly recommend!

A good buy for any young child in your family

worthwhile

I loved this little book. I use it for my Sunday School class lessons a lot. I would recommend it for all the little children. Its at there level and easy to understand for them.

This is a great bible for young kids! It is biblically accurate, covers many stories,and is less sugar-coated(more direct) than the beginner's bible. This is the best choicel've seen for kids age 3-5.

Used this book in school

This book is absolutely great! Both my kids (3 and 2 years old) had become hooked on it and they bring it to me numerous times throughout the day for "more stories". I had searched for a long time for a book that covers both the Old and the New Testament with stories and art for younger children. This one is definitely a must have! The illustrations are so adorable, with bright colors and all the things little children like: happy little faces, cute little animals and more. The stories are short, presented in simple and easy to understand sentences, and they kind of flow one after the other, so you can read 3 or 4 in a row to cover an entire event from the Bible, or you can stop after one and continue the story another time - and there are about 150 little stories, so you'll be busy for quite a long time going through this entire book. I use it also as a wonderful bedtime storybook, since I like my kids to go to sleep reading and thinking about the Word. I definitely recommend this book -- Five stars and more!

My sister bought this children's Bible for our 5 y/o daughter last Christmas. We have never seen a more comprehensive version of the Bible written for children! The illustrations are bright and colorful and the stories are written in larger bold text so that a beginning reader can follow along as the parent is reading aloud. There are also pertinent Bible verses at the beginning of each chapter. Both

the Old and New Testaments' stories are presented in a way that is fun and interesting for your child. The book is thick, but small and easy for young hands to grasp. This book would make a perfect gift for any child to cherish and read over and over again!
