• Customer Review "We are in love with this book! [...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!"

• Customer Review "Written in a very simple way but with a profound message for both adults and kids."

• Customer Review "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!"

•ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselves whatever their size."

Am I small? is the world's first World Children's Book - available for every country on earth in at least one official language.

Great for teaching Polish to young kids!

I enjoyed the presentation of the idea that size depends on perspective. I spoke a little Polish when I was a child and I enjoyed sharing this book with my son and grandchildren.

Great book!

Thanks

Satisfy!

Ugh. The story is bland: a girl enumerating to various strange creatures the different sizes she might be. There is no plot, really. I'm not impressed by the choice of English or Polish words. Sentences

are short, and mostly meaningless. My children do not care to pick the book up after reading it once. I would not buy this if I knew it was so dull.

The content of the book itself was great. However, this looked like a homemade print job as the pages were cut improperly with some words cut off mid sentence! I hate giving poor reviews, but this was a huge disappointment. Words on a page are a key part of a book.

This is a good book for children who are trying to learn English and Polish simultaneously. Pretty basic Polish words with easy pronunciations for children.
