Patricia Schultz is the author of the #1 New York Times bestsellers 1,000 Places to See Before You Die and 1,000 Places to See in the United States and Canada Before You Die. A veteran travel journalist with 30 years of experience, she has written for guides such as Frommer—•s and Berlitz and periodicals including The Wall Street Journal and Travel Weekly, where she is a contributing editor. She also executive-produced a Travel Channel television show based on 1,000 Places to See Before You Die. Her home base is New York City.

We wanted to change up our calendar this year from craft beer theme to vacation theme and this was a great choice. It's a little bit bigger than the other calendars we've had, but it's worth it for the pictures and information. I like that there is still plenty of room for us to write our daily items and special events. It also includes a code for a digital page-a-day calendar of the same which I've added to my tablet.

Has all the holidays marked (not just the super-common ones) and has excellent photos (lots of them!) of marvelous places around the world. Still enough room for me to write in whatever I need, too. Heavy cardstock, fairly glossy.

it's big and bright and inspiring!! I put it on my desk at work and i love looking at it from time to time. It has lots of information which i love because usually calendars are 1 destination each month, but this calendar is different because it has a whole trip planned for each day of the month. And did i say its big and bright!!!

Only got to see about 547 places before I died, but the pictures in this calendar helped me see some places that I never made it to in person.

Great calendar, lots of space to write in the date squares.

Hanging as expected, calendar is great and lots of pictures!!!

It's a calendar.

I buy this every year as a gift for my husband, who enjoys traveling to foreign countries. He always marvels over the beautiful, exotic photos and uses the large day spaces to write down our household appointments. This is the perfect calendar for people who are interested in the world.
