A beautiful celebration in Mexico.

As Day of the Dead in Mexico approaches, this is the perfect book to read with information and stories you've never heard before. Joseph Toone is a natural storyteller and very entertaining as well.

Good insight into this Mexican custom. It is dearly held in Mexico and perhaps could teach many

others about a view of the deceased.

I learned lots of new things about San Miguel (I go there often).Needs some editing. Love the cover. Thanks.

An enormous number of interesting items about combining Spanish religious culture and native beliefs. Mister Toone has a wonderful reputation as a tour guide. The spoken word and the written word are different. I, at some point, will look Mister Toone up for a tour. I am not impressed with the written word.

Joseph is great! He bridges the divide between cultures.....especially in how they view and celebrate life! It's a must!

Incredible read. Joseph is one of the most entertaining and informative authors I know. Don't pass up this opportunity.
