Ugly's Electrical References, 2017 Edition

Synopsis

UglyÃ¢ââs Electrical References, 2017 Edition is the on-the-job reference tool of choice for electrical professionals. Used worldwide by electricians, engineers, contractors, designers, maintenance workers, apprentices, and students UglyÃ¢ââs contains the most commonly required electrical information in an easy-to-read and easy-to-access format. Updated to reflect the 2017 National Electrical Code (NEC) the new edition features full color diagrams, tables, and illustrations, expanded coverage of alternative energies, and updated electrical safety information. UglyÃ¢ââs offers the most pertinent information used by electricians right at their fingertips, including: mathematical formulas, National Electrical Code tables, wiring configurations, conduit bending, ampacity and conduit fill information, and life-saving first aid procedures.

Customer Reviews

Always a great book for electricians to carry. I'm retired and I still get a new one yearly.

Just what i needed for a job. Thanks

Little Small but accurate

A little smaller than I thought since it fits in the palm of my hand but my husband is the one using it and he loves it. It is as described and would recommend this to anyone who need one

Always Loved these pocket books. Makes life soo much easier. They also have a great app now too.i would buy this again.

great book, good for referencing and a must have for anyone taking there electricians exam

Just what i wanted.

just what i wanted
