Pretty well done - could have more specifics on fares and locations for Bermuda mass transit.They could have also provided more details about the costs and availibility of chairs & umbrellas at specific beaches. There is some info but it could be more comprehensive.In short it seems like an excellent guide to the island with a chapter on cruising, some helpfull photos and maps.

This is a very useful resource! I purchased this book before our vacation, and it really helped me plan our trip.

Great comprehensive guide, and up to date (2016).

I was wishing for a better map with more details included. I did appreciate the cruise information.

Very useful.

Exactly what I wanted. Valuable information!

A great guide

Another good Fodor guide.
