# Journey Through The Yemen: And Some General Remarks Upon That Country (Classic Reprint)

## Synopsis

Excerpt from Journey Through the Yemen: And Some General Remarks Upon That Country But very few words are necessary as a preface to this book, as more than once in its pages its objects are stated. An account of my journey through the Yemen appeared last autumn in a series of articles in the 'Illustrated London News,' and it is with kind permission of the proprietors of that paper that some of the illustrations reappear here. Many of the illustrations, however, have not seen the light of day before. The chapter on the Yemen rebellion was published as an article in Blackwood's Magazine for February last.
