Customer Reviews

The sweetest book ever! I loved this book from start to finish. The lifestyle of the Amish makes me feel like Americana is alive and well. Thank you for writing about this way of life and your honesty on adapting to it. I love my magazines, devices and internet way more than I should too. The Rules of a Godly Life are something to read often and I will try to include them in my journaling. It's been a real blessing to spend a time reading your work.

Was an informative, interesting, enjoyable read about the Amish way of life. The title is "31 Days to a Simple Life the Amish Way..", but I read it in a few days, because I couldn't put it down. I purchased one of the Amish knitting circle series written by her, (haven't had a chance to read yet) because I enjoyed this book so much.

This book should be read by everyone who desires to develop a simple lifestyle and grow their faith. Included in the book are sayings and real life examples from the daily lives of the author's neighbors and amish friends.

Delightful, challenging, heartwarming. I like to purchase 30/31 day books to read every month along with my 365 devotional for the year. This is an excellent one to add to my (your) collection.

This is such a great book about how to become more like the Amish in their simplicity. It's not about becoming Amish but about how they live day to day in their walk and how we can follow suit. It's really touched me in processing my thoughts and how I react to life's events.

Such an inspirational book. This book gave me a better understanding of Amish life. I was also thankful of the other books mentioned.

If I could only buy one Amish book, this is the book I'd get, soo blessed to read.

I absolutely loved this book. I love learning about the Amish and living more simply. She had so

many ideas and thoughts. I am glad that I was able to download this book to my Kindle.
