Hinako Takanaga was born on September 16 in Nagoya, Japan. She is the creator of many popular series, including *The Tyrant Falls in Love*, which was also adapted into an anime series. She is a virgo, blood type O, and a self-proclaimed coffee addict who can get violent if she doesn't get her daily dose. A fortuneteller once told her she wasn't suited to be a manga artist, but she doesn't believe in fortunetelling anyway. She currently lives with her vicious cat Choro.

~4/5[More of my reviews are available on my blog, [Geeky Reading](#), to which there's a link on my profile.]This volume had a lot of the second, not as important to me, couple in this series, Yuji and Kagami. They are fun to watch, though. Yuji is very distant, putting up a rude front, and Kagami is very forceful and pushy and flirty. Satoru is trying to push them along, trying to be a nosy, but good friend. And Tamiya is helping him do that, being a good boyfriend. Satoru and Tamiya are so cute together, I love them. Satoru's inner monologue is so adorable and hilarious and so full of feeling. Tamiya is getting to know him so well, and he's such a sweet

boyfriend to him. The other two are growing on me, but Tamiya and Satoru are still my favorite. Then there's Satoru's parents. I just love his mom, who is so like him, and so nosy, and gets along with Satoru so well. She showed up quite a bit in this volume, and I just want her to show up more, because she's awesome. Also, I'm not sure how much she knows about Satoru, or Yuji, being gay. I love this series, honestly. The releases are very slow, because we're pretty much caught up with Japan and I don't know how fast it's released over there (apparently not very?). The next volume is coming out next month, and I am looking forward to its arrival.

I really like this manga a lot and have been wanting it for sometime so I ordered it. and it got to me so quick, and it also was perfectly secured in a box in something else and then it even had a plastic like thing on it. making it really safe, I feel very happy that I bought this.

It was pretty good but I wished it would have been a little more detailed. Yu needs to be more open and accept Kagami's affections. And of course it's censored

Gotta read this if you're a fan of the author

Awkward Silence, vol. 1 thru vol. 4 is excellent books and well written romance, comedy and drama. I literally reread it over and over again.

Love it! It's beautiful

I cannot express how much I love this author/artist. The art is beautiful and the story is funny and touching. I love this series.
