101 People To Kill Before I Die

Synopsis

Set in Melbourne, Australia - a dark, fast, action-packed thriller, dripping with bitterness and sarcasm. With a few comical moments and an array of colorful characters all as determined as they are deadly. Brian Samuals is a former soldier, a former police officer and an ex-convict, recently bankrupt, divorced and now diagnosed with terminal cancer. He has an epiphany. He has nothing to lose and a lot of people have offended against him. Therefore, before he goes they go. All of them. As he embarks on his killing spree he hooks up with a beautiful stripper, Natasha Brown, but is unsure how that's going to work. Be careful who you kill. Before long he has the Russian Mob, a Chinese Triad, the CIA, Interpol, the Australian Federal Police, the Australian SAS anti-terrorist squads and every cop in the state of Victoria hunting him down, screaming for his head. And that's before he kills the alien. Things aren't looking good for Brian and Natasha.

Customer Reviews

This book is not for all readers. Strong language throughout, descriptive sex, and explicit violence on almost every page. Probably not the best read for most readers.

Plenty of mayhem, dark humor and sex. Anyone who can see the dark humor won't mind the body count. The count is way over 101. I could do without the explicit sex, but it wasn't a deal breaker for me. Wondering who would survive and who would not kept me reading until the end. I wondered about the alien , but even that made sense in the story.

It was well written, stand alone read, but it went to far out there for my taste.
