Age Range: 2 - 5 years

Grade Level: Preschool - Kindergarten

Customer Reviews

Love Sammy Spider Books ... A must have for children's library .. Well written !

Gift for my niece. Sammy the Spider is always fun.

Cute book.

The book has good illustrations of the major holidays but I was expecting something where Sammy was really a character in a story. Will pass it on to a child younger than my grandchildren.

Although it states Torah as a teaching, it leans more towards Jewish beliefs instead of Torah. I wish there would have been pictures so I could have had a better idea. I wouldn't have ordered it. Now what do I do with it?

Perfect book to learn about Jewish holidays, what they mean, broken down for non Jewish readers

or those new to Judaic practices.

It is a card book, for baby's

Love that Sammy Spider helps kids (Jewish and Messianic alike) understand fun traditions surrounding the Holiday Wish there was a little more history though.
