Best Sellers Rank: #529,868 in Books (See Top 100 in Books) #9 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Dolls, Toys & Figurines > Teddy Bears](#) #117 in [Books > Reference > Encyclopedias & Subject Guides > Veterinary](#) #284 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Antiques Care & Reference > Reference](#)

Customer Reviews

It is so out of date it didn't help.

I was looking for something to give me a more up to date value. This was current in 2001 or 2002.

This is still a very useful reference book for identifying Beanie Babies and for identifying fake beanie babies as well. The price references are very outdated, which is to be expected considering when it was published. But, as a reference and identification book, it is still worth the price being asked for the book.

thank you

A great book. Full of color photographs and a real keepsake.

A must for all Beanie baby collectors. The book is beautifully illustrated with all the older model of Beanies. Rare finds.

Didn't. I bought several before 2000 during election year. The flag on their hip. Both parties.

Great book if your just getting started or are a serious collector. I am a serious collector and there were many things I didn't know that I found in the book. All my family members have books and they think it's great. Applies to kids and adults. Everywhere I go I see people buying it .
