Customer Reviews

Would have preferred more concise explanations for some of the rules. Other than that it was very informative.

Great way to have the NFHS Rules for Softball at your fingertips at all times!

Love it being an ebook and I have access to it anywhere I go at any time. And the words are legible

Not an all encompassing book. There are situations and issues not covered.

Helpful to all who have read it!

A+

It was good for the price. No complaints.

Good basic high school softball information8
