Buy A Classic Rolls-Royce Or Bentley

Synopsis

A Rolls-Royce or Bentley always turns heads! Yet you can own and drive one of these classic motorcars for as little as the price of an ordinary used car. This new guide by Lan Sluder, a Rolls-Royce owner and award-winning author of more than 20 books, explains how to choose the best model for you, provides current price guides based on actual offering and sales prices, alerts you to pitfalls to avoid and provides tips on where to find the best cars, parts and repairs. It also lists the 12 key steps to take when purchasing. Read this guide before you buy!

Customer Reviews

A former newspaper editor in New Orleans, Lan Sluder is the author of more than 20 books on travel, retirement and other subjects. Among his specialties are the country of Belize and the Western North Carolina mountains. His other recent books include *Fodor's Belize*, *Amazing Asheville*, *Lan Sluder's Guide to Belize*, *Play Bridge Today*, *Frommer's Best Beach Vacations*, *Asheville Relocation, Retirement and Visitor Guide*, *Best Hotels and Restaurants in Belize* and *Easy Belize*. He also has contributed articles to many magazines and newspapers and other media around the world, including *TravelChannel.com*, *Chicago Tribune*, *Where to Retire*, *Globe & Mail*, *New York Times*, *Miami Herald* and *Caribbean Travel & Life*. Lan Sluder is the owner of a Rolls-Royce 1991 Silver Spur II long-wheelbase saloon with armored doors originally owned by a gemstone billionaire who was an ambassador to the United Nations from several African countries. The author lives on a mountain farm near Asheville with his wife, Sheila M. Lambert, an attorney and potter who contributed a number of photographs to this book. They have two adult children.

Great little book. The author supplies pertinent information on several levels of owning a classic that apply to all makes and brands. I have read several books on owning classic cars but none better than this one. This book is a quick read, to the point and what is repeated is necessary for the topic at hand. Even if you are not in the market for a Rolls Royce or Bentley 70% of the text will help with whatever marque you might be interested in.

This is a great book for anyone interested in buying a Rolls Royce and also serves as a historical narrative giving a detailed history of the company. I knew more about Rolls Royce and Bentley than the average person I would estimate and found it to be very informative as it filled in some of the gaps in my knowledge of the M&A's in addition to substantial detail on early models and production numbers.

Very informative and well written.

Great for new potential buyer.

Thanks!

Great book which gives a lot of condensed information of real value to someone considering purchase of a Rolls Royce or Bentley. Not a lot of information about the newer models from the early 2000s and forward - perhaps that will show up in a future volume.? But a great source of facts and details up through the RR Spirit and associated Bentley models.

I'll never have a Rolls or a Bentley, but it was interesting to read about them. The book is very well written and edited. When I got to the back I found out the author is a former editor so it was nice to read something properly punctuated and free of typos for a change.
