I've been reading books on witchcraft and magic for decades and Mandi See's Eclectic Wicca is a breath of fresh air, both grounded in scholarship and deep knowledge and D.I.Y. ways to take what works for you and run with it. Bravo! • Cerridwen Greenleaf, author of The Witches' Spell Book

There is a little witch in all of us, but quite a lot in Mandi See. The Spiritual teacher and counsellor started her business in 2012 to help guide the spiritual enthusiasts of the world to a place they felt comfortable, happy and most importantly, at home. Since then Mandi has become a certified crystal healer, reflexologist, tarot reader, aura and chakra expert, life coach and palm reader to name a few. With a following of over 100,000 that spans the internet and her website Mandi hopes to continue to inspire, impress and promote self healing and love.

I love this book!!! it is now my official go to book for Wicca. I'm still very new and this book is so helpful to me. Its not complicated and easy to navigate when I need to refer back to something. I love it so much Ill probably read it a few more times from front to back.

I love Mandi See and I am so glad she wrote this book. Most books on Wicca are based more in history, but this is a modern every day practice for solitary practitioners.

Very beautiful book. Filled with details and essential information for a beginner practitioner. I'm not a Wiccan myself but I did buy the book because I'm a big fan of Mandy. The design is spot on, content really easy to understand and follow. Amazing job by Mandy. Highly highly recommend to anyone. Nice read indeed.

I found this book to be super informative and a nice quick read. I've been a subscriber of Mandi See's for quite some time but, had no idea there was a book. I found out about it after watching a review on it from someone on YouTube. Glad I purchased it.

The way in which Mandi See related the story was very personal and open. It is definitely my stepping stone to the beginning of my spiritual journey. Thank you for sharing!
