Pretrial Litigation In A Nutshell (Nutshells)

Synopsis

The sixth edition of *Pretrial Litigation in a Nutshell* addresses both the law governing pretrial litigation and the legal skills required for successful practice in this area. The text is fully updated to incorporate the 2015 amendments to the Federal Rule of Civil Procedure, the Federal Courts Jurisdiction and Venue Clarification Act of 2011, and other recent statutes and judicial decisions. Although the text's focus is on federal statutes and rules, the pretrial litigation skills discussed are essential to successful pretrial litigation in both state and federal courts. The text coverage proceeds in the same order as does most pretrial litigation, starting with client interviewing and the establishment of the attorney-client relationship, then considering pretrial planning and investigation, the complaint and responses to the complaint, disclosure and discovery, pretrial motion practice (including summary judgment motions), pretrial conferences and orders, and settlement.
