Charmed By Darkness

Synopsis

Ã¢ “One thing in particular the high priest wants to make you aware of, no one has ever gotten out of our secret society alive. You and I were brought into it by the special workings of the spirit, and we are to be in subjection to them, not they to us.” With these words Roger’s friend tried to convince him to remain within the camp of the prince of darkness—but Roger had caught a glimmer of Light and was determined to learn more. This gripping account of Roger Morneau’s trip into the supernatural provides a glimpse into a world that few ever see: a secret world of deception and demon worship. Now, for the first time, the unabridged story has been released. Charmed By Darkness is the full account of Roger Morneau’s miraculous deliverance from Satan’s altar to God’s mercy seat. It sheds light on the titanic struggle taking place in the world today and warns of the subtle and almost hypnotic lure exerted by spiritualism. It is a life-changing story that affirms our only hope is to be found in Jesus Christ, through His sacrifice and death on the cross.

This came right away, so thank you! It the story of Roger Morneau's descent into spiritualism and also his deliverance from it. A must read! There's an accompanying video you can purchase from www.Amazingfacts.com

I enjoyed this book by the late Roger Morneau. I have also been blessed by his call on us as Christians to pray for the undeserving who are oppressed by demon spirits. His other books on "The Incredible Answer to Prayers" series were an eye-opener and a blessing from this former Satanist to Christian prayer warrior. Excellent!

I really enjoyed reading the amazing testimony of how God can change a life, even a life of one who worship at the foot of the throne of Satan. Praises be to the Living God

I learned a lot from this book. it really gave insight to how we shouldn't keep aware of trying the spirit by the Spirit.

You won't be able to put this book down. Miraculous faith building account of one man's escape from the bondage of spirit worship to the glorious light of God's love and willingness to save and turn around even the most hopeless case. Your life will be changed if you read this book.

It's very interesting to see what the adversary is doing to gain souls for his temporary kingdom, which will someday be destroyed! how foolish we are to give up Eternal Life with The Creator of the Universe and to have treasures in Heaven that don't compare to what satan offers us here on this dying and decaying world! Excellent read!

This is an inspirational to see how Jesus saved a young man from the hands of the devil when as a little boy he lost faith in the Catholic church who taught everlasting hellfire. so he had nothing to do with God. A couple gave him Bible Studies and he learned them all in one week and was baptized afterwards. Amazing story of salvation!

Very interesting biography!
