Moto GP Yesterday & Today

Synopsis

Moto GP has never been seen like this before! This stunningly unique visual study of the world's leading motorcycle championship features vintage photographs alongside related images from the modern era. Offering a fresh perspective, it covers the legendary champions, famous tracks, great races, and life away from the track. Written by leading Moto GP journalist Michael Scott, *Moto GP Yesterday & Today* reveals how the details of the sport have changed over the years, but also how many fundamentals have remained unaltered.

Customer Reviews

Michael Scott has been a motoring journalist for almost 40 years, and has specialized in motorcycle grand prix racing, attending almost every GP since 1984. As well as contributing to magazines worldwide, including *Japan*, the *US*, *Australia*, *India* and much of *Europe*, Scott has edited *SuperBike Magazine* and *Road Racer*. He is the author of several books including the critically acclaimed *Wayne Rainey's Own Story* (Motorbooks International) and *MotoGP: The Illustrated History* (Carlton). He lives in Wimbledon, London. Valentino Rossi is a giant of grand prix racing, and a worldwide household name. With nine MotoGP championships—seven in the 500 cc/MotoGP class—he is chasing Giacomo Agostini's all-time record of 122 race wins. Few doubt that he will get there.

Very interesting and well put together.

I prefer the English cover but though the book was very good. Moto GP is not heard of much in the US so it was a good coffee-table book comparing history to now. Very up to date, it is August 2015 and photos are from the end of 2014. I enjoyed it, was also a bargain when I got it and not \$30+ I recommend Grand Prix Yesterday & Today as a companion

My husband loves it!

Love it. Great idea to juxtapose the old and new. I wish it was BIGGER with MORE content! :-)

Great book. Has a lot of history about moto gp and wonderful photos. A must have book for moto gp enthusiast.

Great book, looks good with collection on coffee table

Great coffee table book. Interesting for both riders and non-riders.

The book is perfect and was delivered right in time.
