Great book...received in new condition!!

Was broken!!! Buyer beware! I would have chosen no stars but that is not a choice.

My granddaughter is very entertained by this series of books.

The Book was fine but the condition was terrible.

My daughter loves this book!!

Music doesn't quite match the page turning, but we love the book anyway. Overall the book was pretty close to the condition the seller stated it would be. Shipping was very quick too which we appreciated.

Cute little book for Christmas! My little girl loves these books and loves Frosty and Santa. This was a treat for her. I do wish it had more of the traditional songs in it!

I love the pop-up feature of Snappy Books. My kids love them!! The sounds aren't real great but they're something different. Darling Book.
